ADULT FORMATION CLASSES

Sunday Mornings, 9:30 a.m. – 10:20 a.m.

LITURGY 102

Sundays April 11, 18, 25, May 2, 9, 16 *The Brooks Room*

Presenter: The Rev. Katherine Roberts

Each Sunday the Eucharistic Liturgy is offered to us. It has many aspects that can feel foreign to those new to the Episcopal tradition. This class is designed to examine the Christian traditions, Scriptural foundations and our reasons for the great celebration that has been calling the faithful and others to worship the Triune God for centuries. All questions and curiosities about the Eucharist will be entertained.

NEWCOMER'S CLASS

Sundays April 11, 18, 25, May 2 *The Taylor Room*

Facilitators: The Rev. Wm McCord "Mac" Thigpen, rector; Bob Van Keuren, parishioner.

This course of four sessions cover an overall introduction to the parish, St. Bartholomew's history, our worship, and a tour of the facilities.

BUILDING AN ETHICAL ECONOMY, Theology & the Market Place

Sundays April 11, 18, 25, May 2, 9 & 16 *The Meeting Room*

Facilitator: The Rev. Beverley Elliott with others

Does theology have a role in shaping a new economy? This was the theme of this past January's Trinity Institute national conference in New York City, and leading theologians and economists were brought together to address it. Such questions as "Is capitalism a belief system?", "What is wealth?" and "What do we owe the future?" underlay the lectures. Over the six weeks, DVDs of the main presentations will be shown and discussed. The first presenter will be Rowan Williams, Archbishop of Canterbury.

OTHER FORMATION CLASSES

WEEKLY BIBLE STUDY: THE LECTIONARY

Wednesdays, 6:30 p.m. – 7:30 p.m., *Taylor Room*

Facilitator: The Rev. Wm McCord Thigpen

The rector facilitates this discussion group of the upcoming Sunday's lectionary - the readings we will hear at the Eucharist on Sunday. Newcomers to the class are always welcome. Recommended reading for newcomers: *Reading the Bible Again for the First Time*, Marcus Borg. Contact Mac Thigpen for further details, mac@stbartsatlanta.org.

GREEN TIP OF THE WEEK

In 1993, U.S. paper recovery saved more than 90,000,000 cubic yards of landfill space. And 17 years later, we're saving even more space. Bring your clean paper – newspaper, junk mail, empty flattened cardboard boxes, shredded paper from your shredder – and feed the paper bin at the bottom of the parking lot.

UPCOMING EVENTS

EARTH DAY CELEBRATION NEXT WEEK

On April 22, 1970, people across America celebrated the first Earth Day, at a time when American cities were buried under their own smog and polluted rivers even caught fire. Thirty-five years later, Earth Day is now a global holiday to celebrate the wonder of life on our planet. On Sunday, April 18, St. Bartholomew's will honor Earth Day during the liturgy, as well as through displays in the Parish Hall. Wear buttons and T Shirts that mark your commitment to stewardship of the earth.
